What you'll need bring to the site:

- A photo ID with your date of birth. Vaccines are available regardless of your citizenship/ immigration status.
- If you have insurance, Medicare or Medicaid you must provide this information and Public Health will bill them. You will not be charged. You do not need to have insurance or a doctor's note to schedule a test.
- Wear short sleeves or clothing with loose sleeves that are easy to roll up to the top of your arm so that you can get the vaccine in your arm.
